BDGA Set to host Williamson Cup

The prestigious Williamson Cup will return to Western New York in 2021, hosted by the Country Club of Buffalo on August 9-10.

The Williamson Cup, established in 1964, is an international junior competition with teams representing 11 different golf associations from the northeastern United States and Canada. The BDGA was one of four founding teams to compete at Winged Foot in the inaugural playing of the Williamson Cup. The BDGA's first victory came in 1966 at Atlantic City Country Club, followed by a successful defense of the title in 1967 at the Country Club of Buffalo.

Junior golfers will compete throughout the season to earn points on the BDGA Junior Points List for the opportunity to represent the Buffalo District at this year's Williamson Cup. The team will consist of the top-3 earners on the Junior Points list, along with a 4th member being chosen by the BDGA Board of Directors.
