

2021 NYSGA GOLF CART POLICIES

(Revision dated March 15, 2021)

COVID-19 IMPACT ON GOLF CART USE AT NYSGA COMPETITIONS

The NYSGA Golf Cart Policies set in this document are subject to change at any time. This is even more likely in 2021 given the changing COVID-19 guidance pertaining to cart use set by the NYS government. Any changes that will impact upcoming tournaments will be immediately communicated to players.

CART USE AT NYSGA COMPETITIONS

Automotive transportation should be driven on such areas of the golf course indicated by the club or the NYSGA.

"ONE-SEAT" POLICY

The NYSGA has adopted the USGA's "One-Seat" policy at all NYSGA competitions (where carts are approved for use).

- This "one-seat" policy allows the player's caddie the opportunity to assist the player during play. For example, the player's caddie may drive the golf cart if the player chooses to walk, move the cart for the player from green to tee, etc., so long as the player and the player's caddie are not riding in a golf cart at the same time.
- If the player's caddie is driving a golf cart, the player is responsible for any breach of the Rules by the caddie (such as moving the player's or an opponent's ball at rest).
- Golf carts may be requested by players only, and caddies are required to wear NYSGA caddie bibs during championship rounds.
- If two players in a group request a golf cart, only one cart will be distributed to that group. If three players request a golf cart, two carts will be distributed.
- The player should not allow other individuals, such as spectators or volunteers, to drive, ride in or ride on the player's golf cart during a stipulated round.
- No one should stand on the back or side of the golf cart while it is in motion.

If the player or the player's caddie shows significant disregard for this policy, the player may be disqualified from the competition.

SUSPENSION OF GOLF CART USE

The NYSGA reserves the right to limit or suspend the use of golf carts due to inclement weather, unsafe use of the golf cart, disregard for NYSGA or host club policies, or other circumstances where use of a golf cart would present a hazard to others, the golf course or for other unforeseen circumstances. Refunds are not guaranteed when use of a golf cart has been suspended and will be reviewed on a case-by-case basis.

HANDICAP CART REQUEST

If a caddie has a disability and would like to ride in a golf cart throughout the stipulated round in addition to the player, approval will be granted by the NYSGA consistent with the Americans with Disabilities Act (ADA). To evaluate such requests, submission of the **2021 NYSGA Golf Cart Request Form** ([click here](#)) for the caddie is required (as well as additional important information for first time and subsequent requests for a golf cart).

SPECTATORS USE OF GOLF CARTS

The NYSGA generally does not permit spectators the use of golf carts during practice and competition rounds. Limited exceptions will be made on a case-by-case basis for spectators with a disability who (1) complete and submit the **2021 NYSGA Golf Cart Request Form** ([click here](#)) and (2) are approved by a member of the NYSGA staff.
