Impact of NYSGA Scholarship:

“This scholarship has given me and my family peace of mind throughout my years in college knowing we have that much-needed wiggle room in the budget. It allows me to save some spending cash for the semester for necessities as well as a few wants. This also allows me to have more free time during the semester itself because I can work fewer hours, allowing me to focus more on my education. I believe that because of this, my grades have greatly benefitted and will continue to benefit for the rest of college. I am very thankful to NYSGA for the scholarship because it alleviates some of the financial stress that is put on students.”
