

Olivia Minor

Nazareth College, Class of 2022

Major in Mathematics/ Adolescent Education

Impact of NYSGA Scholarship:

“The NYSGA Scholarship has allowed me to be able to go to my front runner college choice, Nazareth College! At Nazareth, I joined the golf team this past Fall and loved it! Going to a small school makes for a smaller team, in which we all grew close fairly quickly. Also with joining the golf team, I had the opportunity to travel to Florida this past Spring Break and enjoyed over 90 holes of golf in the warm Florida sun! I am so grateful for the NYSGA and their continued support of my education because this scholarship is giving me opportunities that I would not have been given otherwise!”
