Impact of NYSGA Scholarship:

"This scholarship has helped me tremendously as it has allowed me to focus on my academic and athletic performance at the collegiate level. I am honored and very thankful to be a recipient of this scholarship as it has alleviated the stress that may have come with needing to balance a job on top of both school and golf. It has granted me the ability to devote my time to other activities such as community service and attending school functions, allowing me to give back to the community! My goal for the future is to work for a golf company, so being able to balance every aspect of my life in college is something I am truly blessed for. I am incredibly thankful for all the NYSGA has done for me."
