**1. Ties** - Ties for prizes (both net and gross) will be broken utilizing the USGA recommended method of matching scorecards (compare scorecards for final 9, if tie still exists compare final 6, and so on).

**2. Duplicate Prizes** - Players are only eligible to win a single prize (gross or net). If a player earns two prizes, the higher value prize will be the one awarded. If the prizes are of equal value, then the gross prize will be awarded.

**3. Unclaimed Prizes** - The NYSGA is not responsible for unclaimed prizes, which will be left with the host club pro shop.
